The Town Council considered the report, noting the need to accommodate a public square on the MBE and clarifying the issues needing to be addressed regarding public transport in this context.  It was noted that whilst the aspirations of MKCouncil for the area are laudable, the lack of a transport solution and of sufficient funds are of concern.  It was agreed that professional advice, enabling access to the centrally-held data upon which options will be framed was essential.  The recommendations, as below were agreed:- <ul style="list-style-type: none"> <li>• The Town Council supports MKCouncil's aspirations to develop a high-quality design for the pedestrianisation of MBE between intu and the market, but supports implementation of only that portion of the agreed design which does not affect public transport and is deliverable with the funding available.</li> <li>• The Town Council approves a new working party to lead the Transport and Parking workstream as a first step in updating the CMKAP.</li> <li>• The Town Council approves £4,700 from the sum allocated to support the CMKAP project to fund this initial work.</li> </ul> Councillor Kurth offered to lead the Working Party. No further councillors expressed an interest in joining her.
