### **24/049 – Parks Trust Events Parking**

The paper, as previously circulated, was noted.

Councillors noted the concerns expressed by the resident of Enterprise Lane with regard to the inconvenience clearly caused to residents by the apparent lack of parking control during the summer events in Campbell Park.

It was agreed that a response to the concerns be sought from the Parks Trust, as this issue has been ongoing for some time and does not appear to be any closer to resolution, notwithstanding the directional signage purchased by the Town Council for the Parks Trust use last year.

Whilst councillors did not feel that the MKCCouncil Licensing Committee had any jurisdiction in this matter, it did agree that an email should be sent to Paul Harrison, Highways, noting the issues on event days on highways, which are Clearways, and requesting that Traffic Officers control parking on the Clearways on event days.
